In-Home Services

Service That

Exceeds Expectations

ViaQuest Home Care professionals are highly trained experts who love what they do. Our men and women are warm, caring individuals who are passionate about keeping you or your

loved ones independent and comfortably living at home. Every caregiver is able to provide a wide range of services, including bathing, dressing, toileting, meal preparation, light housework, transportation and companionship.

Care You Can Trust

ViaQuest Home Care strives to provide the highest quality service by directly employing caregivers whom we insure and cover under workers compensation. We also meet all state licensing regulations as appropriate. Our employees complete a rigorous training and screening process to ensure we provide the **best** service from the **best** employees.

Working Together For Quality Care

ViaQuest Home Care believes in a team approach to serving those we care for. We begin by sending a home care professional to your home for a no-obligation assessment. During this time, you and your loved one will work with the ViaQuest team to create a personalized care plan that meets your needs. ViaQuest Home Care uses this plan to assist in assigning the appropriate caregiver to help you make every day more enjoyable. Clients are able and welcome to request a change in the schedule or caregiver at any time.

Providing Peace Of Mind 24/7

ViaQuest Home Care understands that home care needs can arise unexpectedly and we make it easy for you to contact us anytime. Our office telephones are answered by a caring ViaQuest staff member 24 hours a day, 7 days a week.
